EVOLIQ TECH LTD.
Baridhara DOHS, CantonmentDhaka-1206

Dear Sir/Madam,

I am writing to apply for the position of Executive CSE & Mathematics at EVOLIQ TECH LTD. I found this job through the bdjobs.com website published on 17 Feb 2026. With a Bachelor's degree in Computer Science and Engineering from American International University-Bangladesh and a CGPA of 3.74, I have built a strong academic foundation in computer engineering. I look forward to the opportunity to contribute and learn within your organization.

Throughout my academic journey, I developed strong programming skills in C++, Java, and Python. I worked on several academic projects that strength my understanding of algorithms, data structures, object-oriented programming, and mathematical problem solving. My coursework required analytical thinking, logical reasoning, and practical implementation, which directly align with the responsibilities of this position. My academic performance and technical abilities demonstrate my commitment to excellence and continuous improvement.

I prefer this job because your company's requirements focus on the core subjects of CSE, such as OOP, Python libraries, data structures, and algorithms. These are the areas I studied carefully during my degree and practiced in my academic projects. I want to work in a professional environment where I can use my technical knowledge and continue improving my skills. I am disciplined, responsible, and able to adapt to new challenges quickly. I believe my academic record, technical skills, and dedication make me a strong fit for this position at EVOLIQ TECH LTD.

I would greatly appreciate the opportunity to demonstrate how my expertise can support your team. Thank you for your time and consideration. I look forward to the opportunity for an interview.s

Sincerely,

Sandipon
